

- **Some parents choose to home school their children instead of sending them to public school**
  - It is a decision that each parent must make based on what they feel is best for their children
  - There is not a right or wrong answer.
- **There is a sense in which all children should be home schooled**
  - There are some things that they cannot learn in public school.
  - They can't even learn everything they need to be taught in Bible class at church.

**Are You  
Homeschooling  
Your Children?**

# Are You Homeschooling Your Children?

**All Children Should Be Homeschooled**
