LUKE 20 : 2 - 8

GOD HAS COMMUNICATED

- That God wants us to understand His will should be obvious, but we must press the point (Isa. 1:18; Eph. 3:4-5; 5:17).
- We must belabor this point because of a common misuse of Isa. 55:6-9 (Deut. 30:11).
- Many are today are making the same argument that the Jews made concerning God's will (Rom. 10:12-11:4).
- We don't understand because we don't want to (2 Sam. 12:1-6; Jn. 9:39-41).
- We don't understand because we haven't studied enough (Heb. 5:11).
